

Special Maths Activities for You!

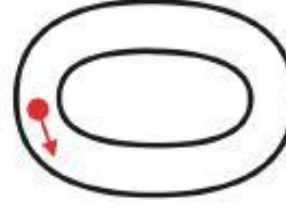

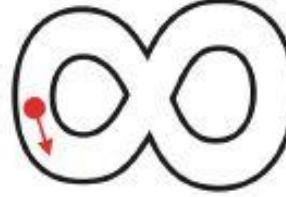

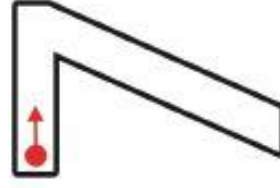

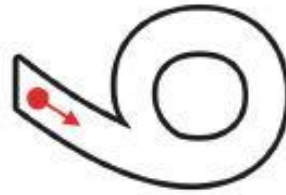

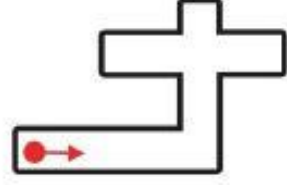

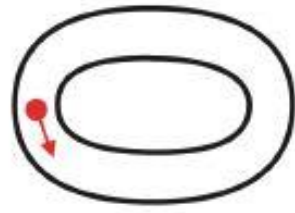

We are really missing you at Nursery, and we can't wait to see what you have been up to.

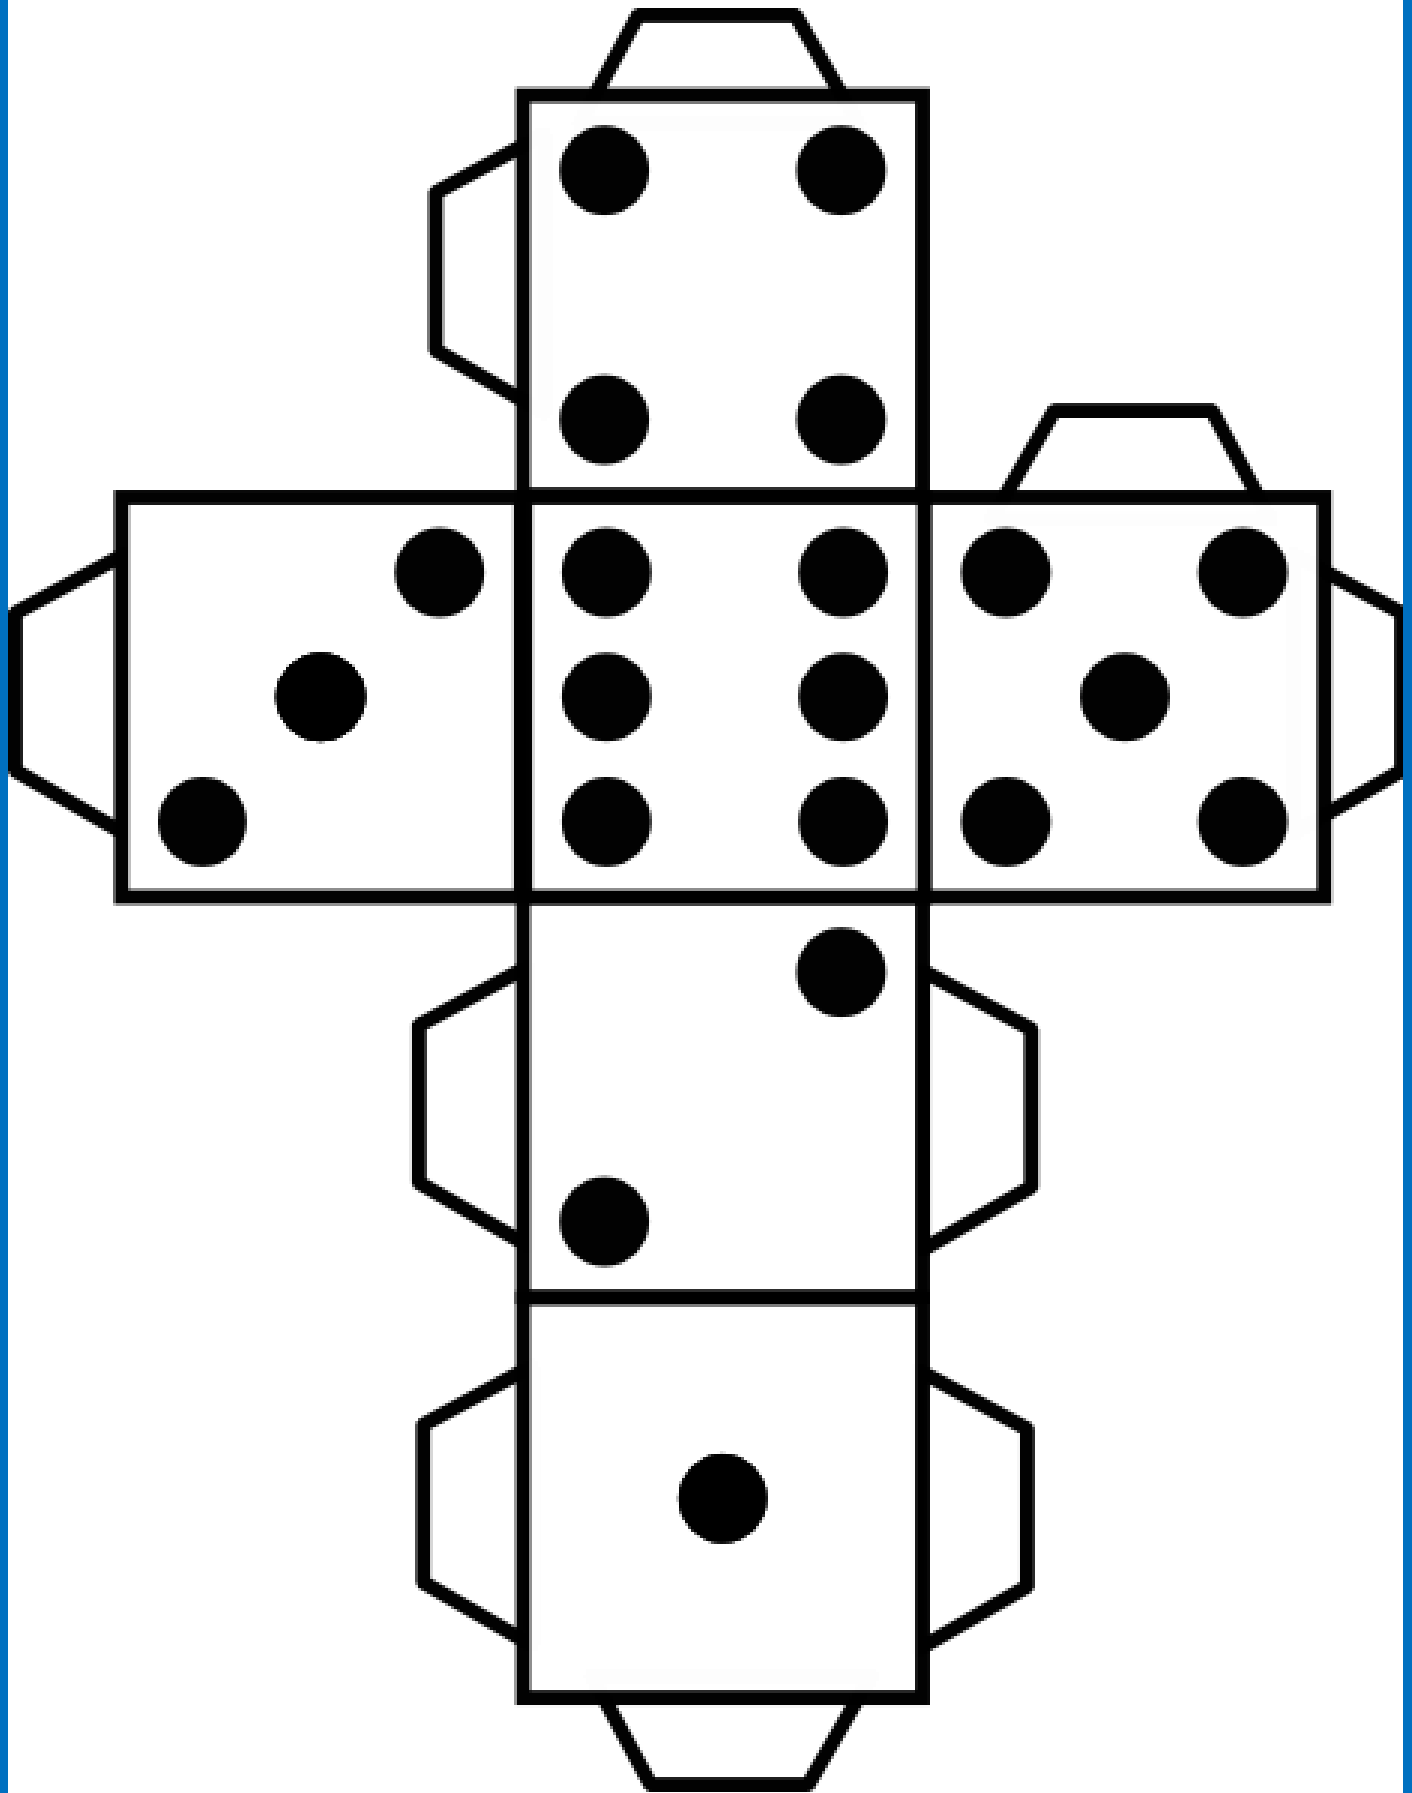

Here are some exciting Maths activities for you to have a try at with your family!

Will you be a Winner?

Number Formation

Can you trace the numbers?

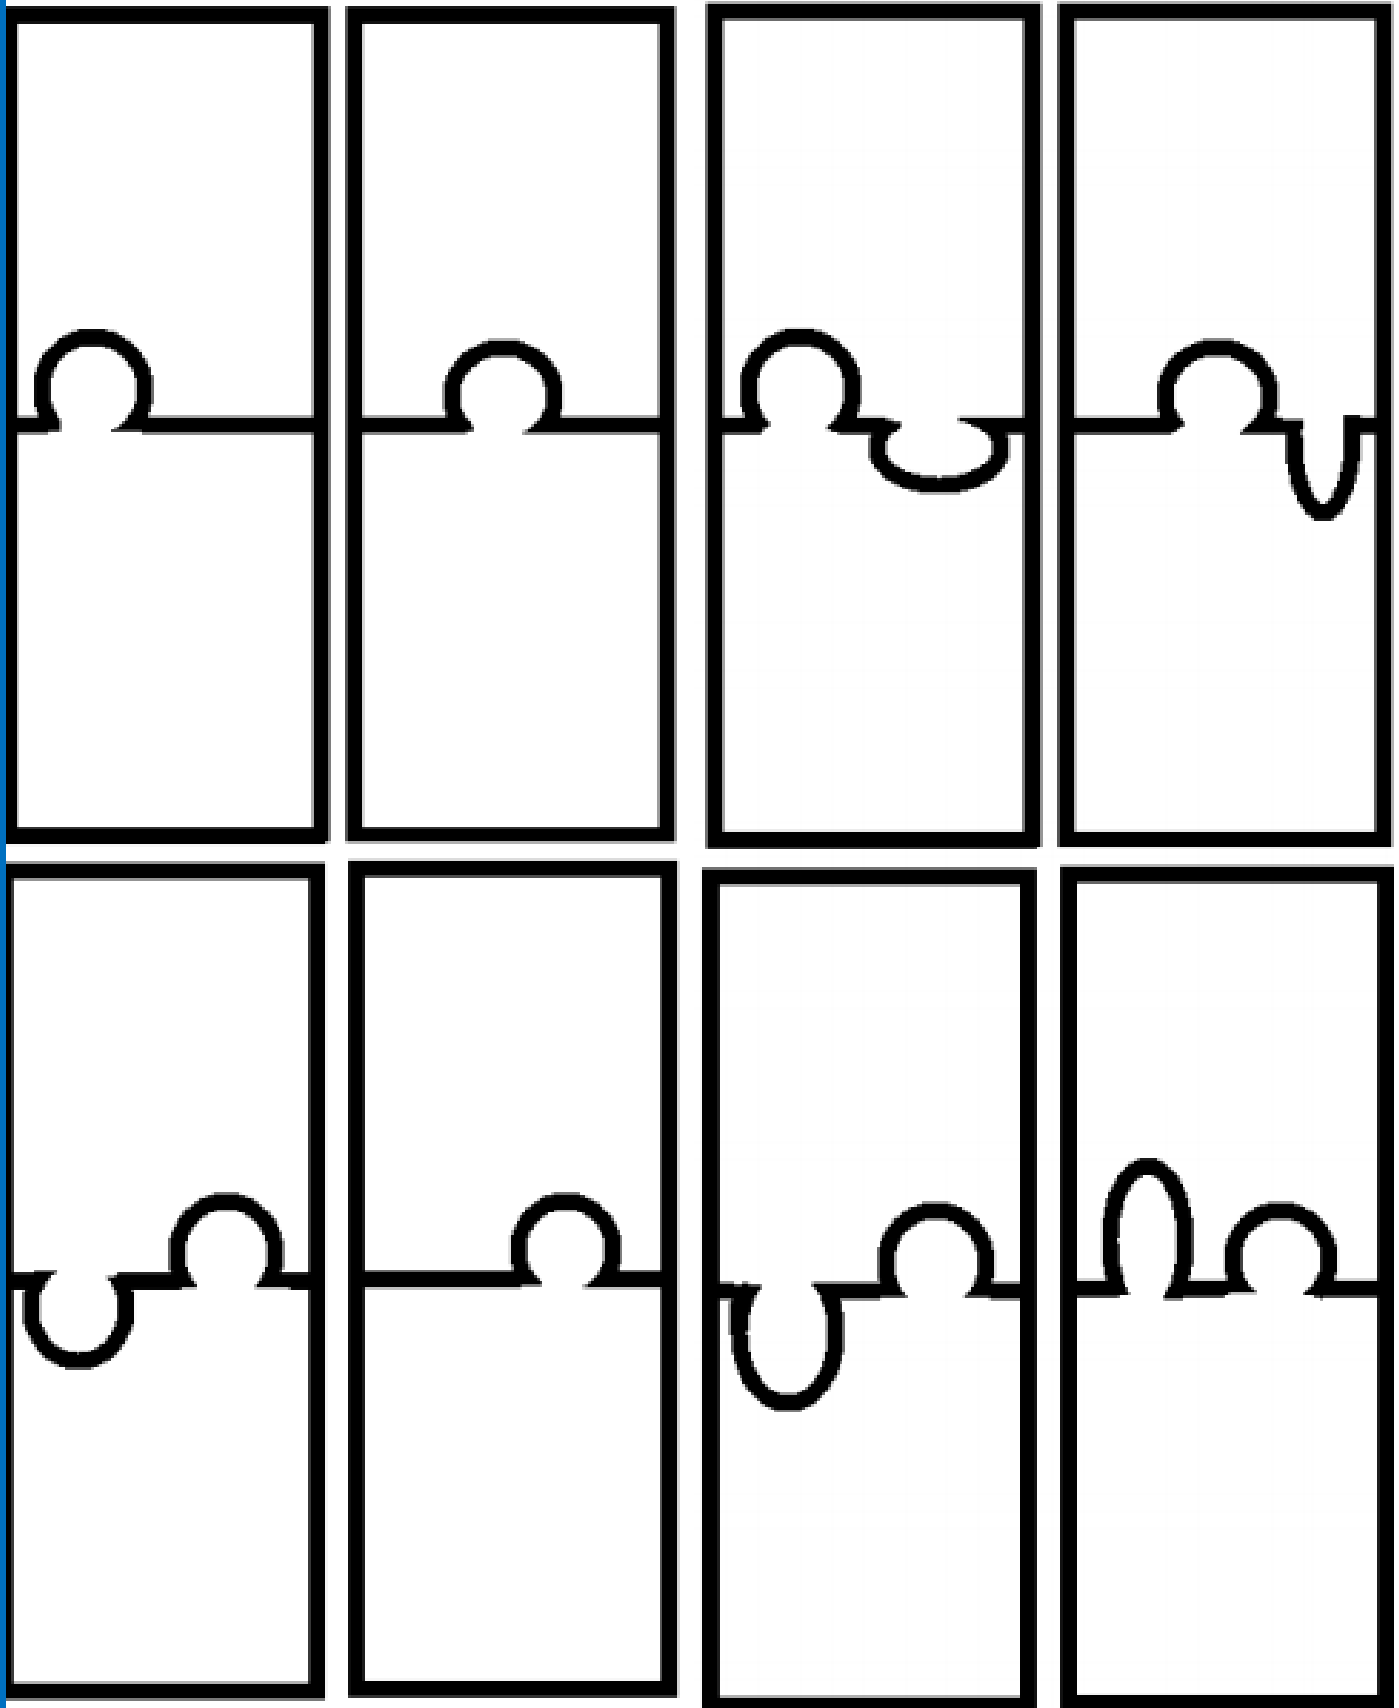

Cut out and make the dice, then you can
make your own games!

Go					
	<p>Write anything you like in the spaces, such as get 1, get 2.</p> <p>Play with your family and see who will be the winners!</p>				

Go		
	<p>Write anything you like in the spaces, such as get 1, get 2.</p> <p>Play with your family and see who will be the winners!</p>	

Could you make a number jigsaw? Write the number on one side and draw a matching number of objects on the other.
