

Home/School Agreement

Our School will do the very best to:

- *Treat your child with respect.*
- *Care for them, ensuring that social and emotional needs are met with sensitivity.*
- *Ensure their happiness and safety in all activities by the appropriate staffing ratio.*
- *Ensure that they are well supported and are encouraged to achieve to their full potential.*
- *Help them to develop a sense of responsibility and to be respectful of other children and staff.*
- *Provide an appropriate learning environment to meet individual needs.*
- *Keep you informed about school matters, your child's progress, achievements and any concerns.*
- *Offer you the opportunity to become an active partner in your child's learning.*

NURSERY SCHOOL
Playing & Learning for Living

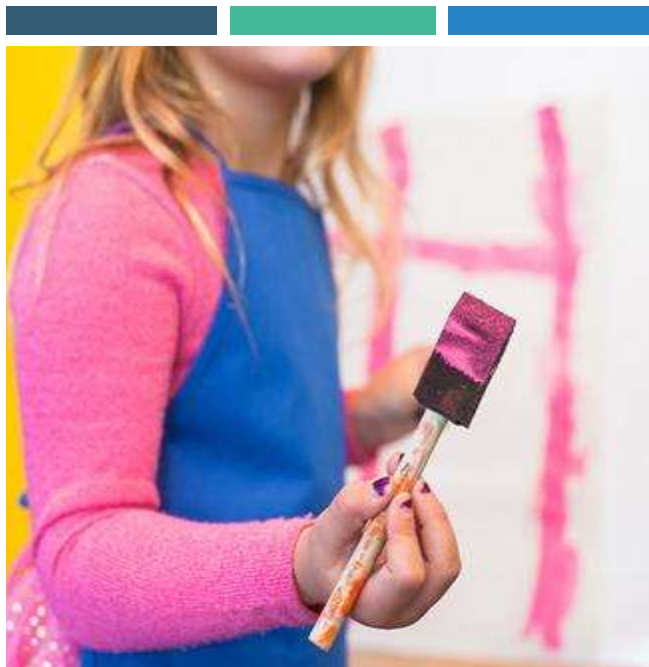

PARENT/CARER AGREEMENT

I/We will my/our best to :

- Ensure that my child attends Nursery regularly on time and appropriately dressed
- Inform the school of any issues that may affect my child's behavior
- Support my child with reading and any other home learning activities following guidance offered by school
- Attend parent/teacher meetings to discuss their progress
- Support school policies
- Acknowledge and treat teachers and nursery nurses as professionals
- Encourage my child to become independent e.g. Toileting
- Encourage them to treat all children and staff in school with respect and consideration

- Keep my child off school if unwell.
- Ensure that any absences are notified to school promptly
- Ensure security and safety measures are followed when entering the school
- Give permission for staff to call for medical help in an emergency
- Jewellery of religious significance can be worn, other jewellery should not.
- School outings – from time to time your child may be taken on short visit within the local area e.g. Shop. To give permission sign below
- Always collect my child on time

I have read the parents/carers agreement and will do my best to follow it.

- **Data Protection** – in accordance with the act, any details held on computer are protected by law
- **Mobile phones** should be switched off in school
- **Child protection** – the school is legally required to report any injury found on a pupil that they feel might be non-accidental.
- **Social Media** to be used for personal use only. Social media must not be used as a platform in which to bring the nursery school into disrupt or which would reflect badly on the school. Parents must be mindful of the safety of other children and families within school. Any concerns should be reported to the head teacher/ Chair of Governors following the complaints policy and procedures.
